America's Future Launches a Nationwide "Raise the Flag, Say the Pledge" Campaign to Revive the American Spirit of Unity

Englewood, Florida – June 14, 2021 – America's Future, Inc., the nation's leader in the fight to preserve American values and ideals, protect the nation's Constitutional Republic, promote strong American families, revitalize the role of faith in our society, and advance the virtues of free market capitalism, announced the launch of its "Raise the Flag, Say the Pledge" campaign to revive the American spirit of unity, symbolized by the historic icons of the American Flag and the Pledge of Allegiance. The campaign is in partnership with Flag Campaign USA and Colonial Flag.

"At a time when so many Americans are isolated and divided, we need to trust the icons that have unified our citizens for generations," said Lt. General Michael T. Flynn, USA (Ret.) and chairman of America's Future. "The American Flag and the Pledge of Allegiance are still the best hope for us to find common ground. Join me and millions of other Americans as we 'Raise the Flag and Say the Pledge.' As long as we remember what we fight for, we are indivisible."

As part of the campaign, Flag Campaign USA and Colonial Flag, the premiere manufacturer of American-made flags, joined efforts to create a limited edition "Raise the Flag, Say the Pledge" flag kit that includes a pocket copy of the U.S. Constitution, courtesy of America's Future, and a personalized letter from General Flynn. Americans wishing to participate in this nationwide campaign are encouraged to visit <https://www.americasfuture.net/flag-day/> and post a video of their family reciting the Pledge of Allegiance using the hashtag #RaiseTheFlagSayThePledge.
